

Evaluation Copies

Free evaluation copies of c360 Auto Merge can be obtained from c360 Solutions' web site. Evaluation copies come with a license key that provides full functional unlimited usage for a 30-day trial period.

Pricing

The cost of Auto Merge is \$475 per server (Server License includes 5 user licenses) per assigned Microsoft CRM license and \$34 per user for additional user licenses.

Languages

All c360 products are available in multiple languages and can be easily translated into additional languages by simply making changes to the label and caption values found in a separate .XML document. Each product's Installation and Configuration guide provides detail on making language modifications. All product downloads include language files for multiple languages.

Licensing

You must have the Server license which includes 5 user licenses. For additional users above the 5, you need to buy individual user licenses. You need as many Auto Merge licenses as there are active CRM users

Support, Upgrades and Enhancements

The list price of Auto Merge includes first year support, upgrades and enhancement per the c360 Solutions Software license agreement. After the first year, a support and enhancement plan can be purchased for 20% of the total cost of all Auto Merge licenses.
