

c360 Record Editor for Microsoft Dynamics CRM 3.0

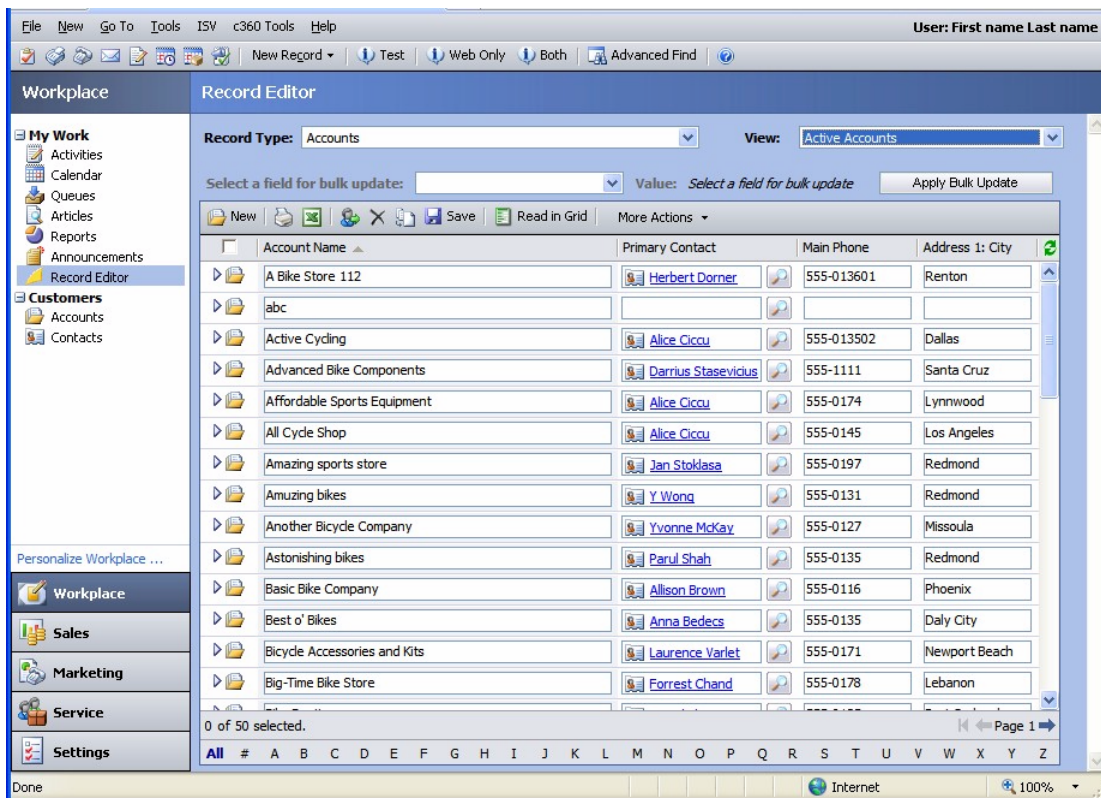

Overview

c360 Record Editor is an easy to use inline grid editor that allows you to edit/modify the contents right within the grid. Record Editor allows you to pick any Advanced Find view to edit in a grid format. All CRM data types including nvarchar, picklist, bit/boolean, int, float, lookup, owner types are supported. In addition, Record Editor can be launched from all of the CRM entity grids as well as Advanced Find view results grid.

The key benefits of Record Editor are:

- Edit all CRM fields right within the grid in their own control boxes (date, memo fields, currency, picklist, lookup, boolean, int, money)
- Grid enforces CRM's security model (read-only, state attributes, write privileges, onchange events are respected)
- Select all or just specific records to edit
- Bulk update to copy a change made to all or select rows in the grid
- Launch Record Editor from any CRM grid and/or Advanced Find View Results

Record Editor gives CRM users an easy way to edit multiple records in a single screen

c360 Record Editor allows users to edit multiple CRM records

Pricing

Record Editor is available as a standard product in the c360 Core Productivity Pack. For details on the Sales Productivity Pack visit <http://www.c360.com/ProductivityPack.aspx>. Pricing information is available at <http://www.c360.com/Pricing.aspx>.

Languages

All c360 products are available in multiple languages and can be easily translated into additional languages by simply making changes to the label and caption values found in a separate .XML document. Each product's Installation and Configuration guide provides detail on making language modifications. All product downloads include language files for multiple languages.

Licensing

The number of Record Editor licenses must equal or exceed the number of assigned user licenses or Record Editor will not function for any user. For example, a company that has purchased 25 Microsoft CRM licenses, but has only 11 of them assigned to users needs 11 Record Editor licenses.

Support, Upgrades and Enhancements

The list price of Record Editor includes first year support, upgrades and enhancement per the c360 Solutions Software license agreement. After the first year, a support and enhancement plan can be purchase for 20% of the total cost of all Record Editor licenses.
