

## c360 Report Wizard for Microsoft Dynamics CRM 3.0

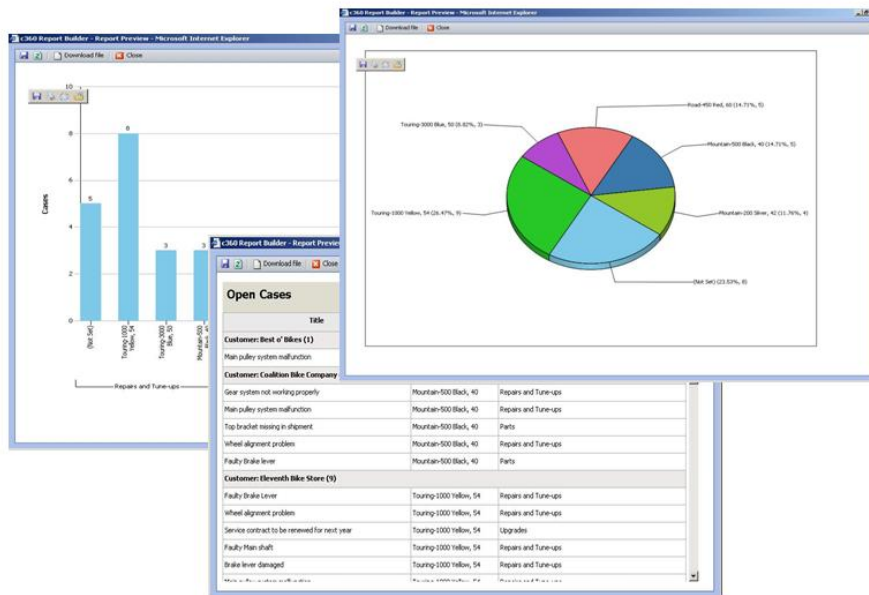

### Overview

c360 Report Wizard is a powerful report generator tool that allows Microsoft CRM users to easily and quickly create SQL Reporting Services reports **without writing any code**.

Report Wizard is built for simple end users allowing them to create reports from inside Microsoft CRM application. **No other tool is needed**. Reports are automatically generated according to Microsoft CRM style guidelines and preserve the security model of Microsoft CRM.

Creating the report query is based on simple Advanced Find like screen without the need to write any SQL scripts. Using the Report Wizard Microsoft CRM end users will be able to **create reports in 5 clicks**.

Using c360 Report Wizard users can reduce the time for creating SQL Server Reporting Services reports to few minutes.

**c360 Report Wizard works the way Microsoft CRM users do**

## **Features**

c360 Report Wizard features include:

- Report creator wizard allowing users to create reports from within Microsoft CRM in 5 steps.
- Save reports in Microsoft CRM.
- Download RDL file.
- Design report query using Advanced Find screen without writing any code.
- Generate tabular and graphic report in 5 steps.
- Apply automatic design styles according to Microsoft CRM style guidelines.
- Maintain the Microsoft CRM security model.
- Automatically generates Drill Down capabilities to access MS CRM records from within the report.

## **Evaluation Copies**

Free evaluation copies of c360 Report Wizard can be obtained from c360 Solutions'. Evaluation copies come with a license key that provides 15-day trial with the sample installations ('Adventure Works Cycle', 'Adventure Works Cycle Demo') of Microsoft CRM.

## **Pricing**

The cost of Report Wizard is \$995.

## **Languages**

All c360 products are available in multiple languages and can be easily translated into additional languages by simply making changes to the label and caption values found in a separate .XML document. Each product's Installation and Configuration guide provides detail on making language modifications. All product downloads include language files for multiple languages.

## **Licensing**

The number of Report Wizard licenses must equal or exceed the number of assigned user licenses or Report Wizard will not function for any user. For example, a company that has purchased 25 Microsoft CRM licenses, but has only 11 of them assigned to users needs 11 Report Wizard licenses.

## **Support, Upgrades and Enhancements**

The list price of Report Wizard includes first year support, upgrades and enhancement per the c360 Solutions Software license agreement. After the first year, a support and enhancement plan can be purchased for 20% of the total cost of all Report Wizard licenses.

## **c360 Partner Program**

Authorized Microsoft CRM partners may inquire about the c360 partner program by visiting <http://www.c360.com/PartnerProgram.aspx>.
